

The 2014 Rates:

The one **adapted** taxi carries a total of 6 passengers (2 occupied wheelchairs and 4 seated passengers).
The second and third **adapted** taxis take a total of 10 passengers (2 or 3 occupied wheelchairs, depending on the width of the wheelchairs) each.
Please note that there is no problem as far as width and height of manual wheelchairs, power wheelchairs or scooters are concerned.
The amounts shown below are for 4 passengers in total.

If any guests are incontinent, please be aware that if any damage occurs, there will be a charge involved

The prices below are for **RETURN** trips, and provided that the arrival and departure times are between 7am and 10pm.

There is a €26.00 surcharge (return) for each additional passenger

E.g. If there are 6 passengers PFO/PFO HOTEL/PFO, it will be 213.00 + 53.00 = 266.00
