

Marine adventure in Limassol waters

Your journey begins from the marina of Limassol under the name St. Raphael.

If you choose western direction, then your first view will be Governors beach. Majestic white cliffs frame clean and cozy beach. Coastal waters - ideal for fishing and scuba diving! Everything you need for fishing or diving you can find on the yacht.

After active recreation near the Governor's beach you will continue to the coast fishing village of Zygi, the world-famous fish restaurants and pristine scenery wildlife. It is the only settlement in Cyprus, located right on the beach. Therefore Zygi – is a favorite vacation spot for people who appreciate the absolute peace and harmony

At the beginning of the east direction of the cruise you will enjoy spectacular views of the coastal ridge hotels with manicured beaches, modern design of buildings, green parks on their

territory. Specially beautiful view opens after sunset, when the lights go out and the fabulous beach is lit with light.

On the way to the beach Ladies Mile you will see a new marina in Limassol, on which work is underway and in the near future it will be the most modern and original object of the island.

Ladies Mile Beach attracts its vastness, purity and tranquility of the waters. Our captain will make a stop that you could relax and get to know this piece of paradise.

If the weather on the day of travel is favorable, you can go to Cape Cat. Captain or guide will tell you an interesting story of this unusual name. The area around the cape called "Cypriot Bahamas," it's all strewn with small islands that are under water.
